Are you kidding? Brandon Straka is the most obvious of all the right-wing grifters.

Straka and Owens actually hate each other because they compete for the same gullible donors and they each accuse the other of stealing their idea 😂

***CONVICTED INSURRECTIONIST
BRANDON STRAKA***

THE ORGANIZATION

BRANDON STRAKA – CHAIRMAN

Christmas Day 2023 Attack

143. Indeed, on Christmas Day of 2023, when most people are enjoying time with their families and loved ones, Defendants launched yet another online assault on Mr. Straka and #WalkAway.

144. Over the course of Christmas, Defendants @DaClementMusic and @BrawndoSnitchka posted about Straka and #WalkAway over a hundred times, repeating their false and defamatory claims that Mr. Straka is a felon, a white nationalist, a Qanon cultist, a grifter, a convict, an FBI informant, a “creepy weirdo gay”, an employer of Holocaust deniers, and a violent anarchist who recruited people to commit violence on January 6th.

145. Defendants also repeated and republished their false claims that Mr. Straka was lying to his audience and supporters about prevailing in his civil case, that the litigation is ongoing, and that Mr. Straka would say or do anything to prevent a jury from seeing the overwhelming evidence against him in this civil case.

146. In fact, all the claims against Mr. Straka were dismissed. Defendants knew this, but selectively cropped statements from civil case documents and published them to appear to give corroboration for their lies, repeating them dozens of times in one day alone.

147. Also on Christmas Day of 2023, Defendants began posting #WalkAway’s most recent 990 IRS filings, as well as publishing the names of investment firms that #WalkAway’s donors have used to donate to the organization as well as the names of the organizations’ directors, tagging the investment firms that employed these directors in their posts and making the false and asserting that

- “#WalkAway provided ZERO services,” which is false and defamatory;
- Mr. Straka has used the #WalkAway org for “personal inurement,” which is false and defamatory;
- #WalkAway is funneling and diverting money to other causes and bank accounts, which is false and defamatory;

and baselessly threatening that “penalties would be levied against each board member individually.”

148. Of the tens of thousands of comments Defendants have made about Straka on a daily basis over the past three years, virtually every one reiterates Defendants’ false and defamatory claims that Mr. Straka is a violent, psychotic, sociopathic, criminally-natured, malignant narcissist, thief, con-artist, grifter, liar, and more.

149. The extent of Defendants’ defamation of Mr. Straka is so vast that setting forth each of the over 30,000 instances of defamation by Defendants in the body of this Complaint would be impractical. For this reason, a list of defamatory tweets collected in 2023 alone is set forth as Exhibit A hereto and incorporated herein as if fully set forth.

A person with a malignant personality disorder like Straka uses and abuses people and burns every bridge he crosses. That's why everyone from any of his former lives tries to warn his next targets, and why his own family turned him in to the FBI.

Amongst other things, he engaged in disruptive conduct by participating, along with others, in yelling "go, go, go" to encourage others to enter the U.S. Capitol while the U.S. Capitol Police were making their best efforts to prevent people from doing so. Straka also observed others yelling to take a U.S. Capitol Police Officer's shield. He recorded a video of what was happening, and in the with the crowd, saying "take it, take it." He did this between 2:30 and 4:00 p.m. at the entrance to the U.S. Capitol in the restricted area

I went to NYC Pride last weekend and the current state of the Left is INSANE.

More and more people are now identifying on the Rainbow Spectrum because of social contagion.

And if parents have any concerns about it, they could lose their kids.

Thanks for having me on, [@NEWSMAX](#)

We're fast approaching @BrandonStraka's debut in proper society, known in [#walkaway](#) world as Walk-a-Con, since it's mostly criminal grifters on the sked. It's like "The Gilded Age," except Brandon had to buy his way into the ball by fleecing rubes who think he's an influencer.

Hey, #walkaway rubes! Come one, come all to Walk-a-Con walkawayanniversary.com, where fellow criminal @drsimonegold and I as well as many other grifters live up to our convict status! You can no longer get the hotel rate I booked at Hilton. So pay even more! -- @brandonstraka

Here's #walkaway faker "David." For Walk-a-Con, @BrandonStraka is inviting David to sit between BFF @JennaEllisEsq, who wishes eternal damnation on David and Brandon, and @mschlapp, whose roving hands won't be far away from the unsuspecting David.

In addition to galpal @KariLake, @BrandonStraka is pimping for @Evans4WV (Derrick Evans, the WV lawmaker who crimed and, like Brandon, now denies it). Derrick lost his original handle, so Brandon the whore has decided to go to bat for another loser on his Walk-a-Con panel.

In desperately pitching heavily discounted Walk-a-Con to the rubes, [@brandongstraka](#) claims six events. I count only four. Did he add a cabaret drag show (Nick Miles does the can-can!) and a book-banning workshop ("Anne Frank was a whore!")?

So [@BrandonStraka](#) isn't done scraping the bottom of the political refuse pile to justify the king's ransom he's bilking rubes to underwrite [#WalkaCon](#). Recent additions to the speakers lineup are once-and-future sexual groper [@mschlapp](#) and delusional party defector [@meshamainor](#).

For those not getting the special griftee rate, rooms at [@BrandonStraka](#)'s Walk-a-Conman's hotel for his blowout [#walkaway](#) criminal-grifter-sociopath fest in November are going for about \$250 per night. I'm texting Soros right now so he'll house us libtards in the unblocked rooms.

Chief **#walkaway** Grifter **@BrandonStraka**'s BFF, **@JennaEllisEsq**, is salivating this week because there's one less **#LGBTQ** Pride flag wafting in the breeze. Jenna thinks all gay people, including Brandon, should be consigned to hell for eternity.

**toolejk** @toolejk · Aug 22

Walk-a-Con's main day event on 11/11 is a rally ostensibly for veterans. In the event that the state or local police show up to maintain order, I sure hope that **@BrandonStraka** has trained his followers in how to encourage the theft of riot shields. He's very good at it!

**toolejk** @toolejk · Aug 21

In his deft Con-the-Rubes pricing scheme, **#walkaway** grifter **@BrandonStraka** is charging a \$50 premium if you want to be up front at the kickoff event, i.e., closer to the criminals who'll be telling you how they either copped to pleas or were convicted and then started whining.

**toolejk** @toolejk · Aug 21

For the big Walk-My-Fellow-Cons extravaganza in West Palm Beach, Chief **#walkaway** Grifter **@BrandonStraka** has secured special rates at BOTH the Hilton AND Holiday Inn airport hotels. That's right! The rubes have a chance to get fleeced in two venues in just one weekend!

The folks [@BrandonStraka](#) is highlighting in his ad for his LGBT Town Hall don't at all resemble whiny, pathetic, self-hating folks unconfident in their sexuality and desperate to believe in anyone, even a grifter whose best friend, [@JennaEllisEsq](#), would condemn them all to hell.

I'd like to know if [@BrawndoSnitchka](#), [@DaClementMusic](#), [@ThatsQuiteAWalk](#), [@MikeClover7](#) or other fans of our favorite grifter will tune into his LGBT Town Hall this evening. I'm disappointed he didn't invite his BFF, gay-hater [@JennaEllisEsq](#), to join. But maybe she'll chime in.

[@BrandonStraka](#) will host an LGBT Town Hall tonight. No word yet whether his BFF, [@JennaEllisEsq](#), will be there to berate other panelists for the sin of owning their sexual orientation. She despises gays, wishing them a perpetual visit to hell. Oh yeah, btw, Brandon is gay.
